Dear Sirs

**Gideon George Scott & Helen Mary Ann Dodds**

I write to you with a letter of thanks for the wonderful service provided by Welch & Sons on behalf of my father, Gideon George Scott, and my grandmother, Helen Mary Ann Dodds. I have been meaning to get this letter to you sooner; please accept my sincere apology.

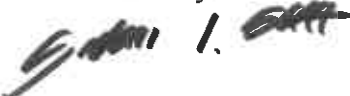

I would like to thank A Welch & Sons for taking care of my family's funeral arrangements. Unfortunately, my father's funeral was my first, and the build up to the day was an unknown for me. Welch & Sons were incredibly courteous and informative and made my mother and I feel at ease, on such a difficult day.

I would like to take the time to thank all members of A Welch & Sons but would like to personally thank Martin Nicholls. Martin made my mother and I feel very comfortable on the day of my father's funeral, and my family on behalf of Helen would also like to send their words of thanks. On a day of sadness, Martin managed to put a smile on our faces and made us laugh. Although Martin is incredibly professional, Martin feels like a friend.

My mother and I would also like to thank you for helping us raise £1,400.00 for Pilgrims Hospice, a charity close to our hearts.

I thank you again for such a wonderful service provided by yourselves.

Yours sincerely

**Gideon Isaac Scott**  
(Son of Gideon George Scott)  
(Grandson of Helen Mary Ann Dodds)
